

REMARKS

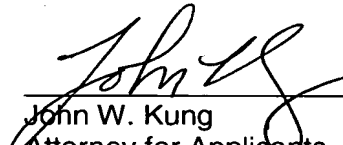

The foregoing Amendment to the Specification is to insert the Abstract on a separate sheet.

Applicants respectfully request that amendments made to Claims 1 through 7 be entered. Such amendments have been made to better conform the claims to US practice. Applicants also respectfully request entry of new Claims 14 through 18. Applicants also ask that Claims 8 through 13 be cancelled without prejudice; Applicants reserve the right to prosecute such cancelled claims in a later application. Applicants respectfully submit that the amendments and new claims do not introduce any new subject matter.

Should the Examiner have any questions, please contact the undersigned attorney.

Respectfully submitted,

Novartis
